CORNERSTONE SCHOOLS

In-Person Learning Safety Measures 2021–2022

In-Person Learning Provides:

A structured environment where teachers and staff can personally interact with students and support individualized learning

An opportunity for students to meet their classmates, build lifelong friendship and engage in group lessons

Adaptable learning and greater flexibility for teacher to personalize instruction for all types of learners

Our Layered Prevention Approach

	Encouraging vaccinations for all eligible individuals
	Maintaining a mask mandate for students, staff and visitors regardless of vaccination status
	Enhancing sanitation throughout all campuses
	Conducting regular screening
	Maintaining physical distancing
	Upholding a Collectively Responsible Culture

Additional Policies & Prevention Strategies

Cohorting Students to Limit Group Exposure	Building Entry and Screening Requirements	Contract Tracing and Reporting
